Staff Analysis

Neighborhood characteristics:

The parcel is currently zoned Business B and is located along the Boston Road commercial corridor. This area has a mix of both commercial and residential uses.

To the north are a small office use and a U-Haul rental operation zoned Business B and Business A.
To the south are single-family homes zoned Residence A.
To the east is a commercial building zoned Business A and Commercial P.
To the west is an auto parts store zoned Business A.

Site plan review:

The petitioner has requested two (2) special permits. One to operate a motor vehicle repair facility and a second special permit to sell used cars at the property known 927 Boston Road and ES Phillips Avenue. The site is currently vacant and was the former location of an automotive repair facility.

In reviewing the proposed request and visiting the site, the staff does not object to the proposed use. As noted above, this site had been used for automotive related uses for several years. The only concern that the staff does have is that this site does directly abuts a residential home. Currently, there is solid fencing along the rear property line and an existing vegetative buffer. If this special permit is approved, the staff would strongly

recommend that this buffer remain. The staff would also suggest that there be no late night hours of operation.

Further, it was noted that the existing building is in need of repairs. Specifically, the area where the former sign was located needs to be painted. The staff would also suggest that the existing fencing along Phillips Avenue be repaired and painted as well.

Lastly, the staff would recommend that no more than thirty (30) used cars be allowed to be displayed or stored at this location. This would allow for adequate staff and customer parking.

Recommendation

Approve, with conditions.

Recommended Conditions:

1. This special permit is granted to this petitioner only.
2. This special permit is granted for a motor vehicle repair facility and used car sales at the property known as 927 Boston Road (01655-0591) and ES Phillips Avenue (09685-0043).
