III. Update on Project Eagle.

Ryan Walsh, spokesperson for the Springfield Police department gave an update on Project Eagle. Pride gas station gave a verbal agreement to their 6 stores and the 7th one which will open in late winter. These camera's will be connected to the real time cameras at the police department. At this time it is voluntary for the gas stations to add cameras outside. Most cameras are inside by the registers. Eagle stands for Eyes above Gas and late-night establishments.

The Public safety committee believes customers would feel much safer if there were cameras outside and that the business would increase because of this added safety measure. Ryan Walsh will reach out to Mobil Gas Station owners also.

Meeting adjourned by Chairperson Hurst.
