2. **Location: Sabis International Charter School 160 Joan Street, Springfield, MA 01129**

II. Public Portion

III. Traffic/Speeding concerns around the school.

Residents main concerns were the speeding down the roads leading into Sabis. Want more of a police presence during the early mornings. Residents would like to see or requested that the officers issued more tickets even if its residents that live in the neighborhood. Admin from the school mentioned that they also go out and talk to the parents about speeding and really trying to enforce the speed limit. Residents complained that Sunbrier was not supposed to be an entrance way but administration team from Sabis stated that for safety reasons they must now have two ways to go in and out. She did agree that was the original plan not to use that road.

IV. Report from SPD traffic unit to discuss results of speed traps.

Officer spoke and will look to bring back some data for the residents in a month. Will have officers in place earlier and make sure they are issuing tickets but did mentioned it is totally the discretion of the officer on duty. He did talk to Chris and stated that they my look into changing the speed to 20mph. will look into other ways to help ie cameras and or speed bumps.
