Order of Taking of Land 65 Sumner Avenue ()

CITY OF SPRINGFIELD

In the City Council

July 18, 2022

ORDER OF TAKING OF LAND

IT IS ORDERED THAT the City Council, acting pursuant to Mass. General Laws Chapter 43, Section 30, and Mass. General Laws Chapter 79, upon the request of the Department of Capital Asset Construction, does hereby take by eminent domain in the name and on behalf of the said City of Springfield, a parcel of land located on Sumner Avenue, in Springfield, in fee simple, for municipal public purposes including 1.) supplying critical parking for Sumner Avenue Elementary School staff (due to inadequate capacity within the existing parking lot servicing the School), 2.) reducing traffic congestion at the western most end of Sumner Avenue during school arrival and dismissal times by allowing both parent and bus pickup/drop to occur on the property as opposed to the street, 3.) relocating the dumpster from the School site to improve quality of life for surrounding residents, and 4.) utilization of the structure on site as a potential location for the anticipated new "Springfield Virtual School", accommodating the staff, workspace, storage, parking and other needs for the school. Collectively, the purposes set forth above shall be known herein as the "Project".

An appropriation of money has been duly made for this purpose by an Order approved by the City Council on this date.

Such parcel is taken together with all rights therein, both legal and equitable, including all privileges, appurtenances, restrictions, conditions, and all estates and rights of reverter, together with all trees upon said land and improvements affixed to said land, excepting easements, rights, and interests specifically reserved herein.

TAKING IN FEE SIMPLE

It is ORDERED, that the parcel of land described below is taken in fee simple, pursuant to and by virtue of Mass. General Laws Chapter 43, Section 30, and Mass. General Laws Chapter 79, of the Massachusetts General Laws, for municipal public purposes, including off street parking in connection with the Project, including any improvements, trees and shrubs located thereon;

65 Sumner Avenue: A parcel of land located at 65 Sumner Avenue, Springfield, Massachusetts, City Parcel #01128-0485, supposed to be owned by Springfield Realty Ventures, LLC, containing an area of 52,447 square feet. That certain parcel of land described as shown on a certain plan entitled "Plan of Land Sumner Avenue and Beechwood Avenue Springfield, Massachusetts for Friendly Ice Cream Corporation 1855 Boston Road, Wilbraham,

Massachusetts” dated February 1979 drawn by Smith Associates, Engineers & Surveyors of said Springfield, which plan is recorded herewith in the Hampden County Registry of Deeds and said land being further bounded and described as follows:

Beginning at a point marked by an iron pin at the Southwesterly corner of Sumner Avenue and Beechwood Avenue, thence running along the Westerly line of Beechwood Avenue South 13°40’10” East, a distance of 70.01 feet to an iron pin; thence continuing along said Westerly line South 09°57’10” East, a distance of 130.49 feet to a stone bound; thence turning and running South 75°48’13” West along other land now or previously owned by SIC PROPERTY, LLC, a distance of 124.50 feet to an iron pin; thence turning and running South 14°03’48” East along the Westerly boundary of said other land of now or previously owned by SIC PROPERTY, LLC, a distance of 54.28 feet to an iron pin; thence running South 13°47’22” East along the Westerly boundary of other land now of formerly of Robert W. and Patricia C. Drance and land now or formerly of Joseph Chabot et al, a distance of 101.18 feet to an iron pin; thence turning and running South 81°50’42” West along the Northerly boundary of land now or formerly of Gloria Moriarty, a distance of 75.56 feet to an iron pin; thence turning and running North 13°52’56” West along the Easterly line of land now or formerly of the City of Springfield, a distance 346.36 feet to an iron pin on the Southerly line of Sumner Avenue; thence turning and running along the Southerly line of Sumner Avenue North 75°27’00” East, a distance of 208.89 feet to the iron pin at the point and place of beginning. Containing 1.204 acres.

Being the same property sold to Springfield Realty Ventures, LLC by SIC Property, LLC, via quitclaim deed, recorded at the Hampden County Registry of Deeds at Book 23452 Page 75 on September 30, 2020.

AWARD OF DAMAGES

It is ORDERED that the City of Springfield makes the following awards for damages sustained by the owners of the parcels, and to other persons as are required by law, by reason of the takings in fee, including any improvements, trees or shrubs:

<u>Parcel/Address</u>	<u>Owner of Record/Mortgagee</u>	<u>Damage Award</u>
65 Sumner Avenue	Springfield Realty Ventures, LLC	\$1,125,000.00

TOTAL: \$1,125,000.00

Although said parcel is stated above as belonging to the named owner, the ownership of said parcels is stated herein only insofar as said ownership is known or has been determined by the City Council, and accordingly, is so stated and shown only as a matter of information and belief.

Such takings in fee simple are subject to outstanding mortgages and liens of record as are required by law, and are made subject to the prior payment of any unpaid taxes, water and sewer use charges, betterments, if any, to the City of Springfield, MA.

It is further ORDERED: that the City Treasurer be and is hereby authorized to pay said sums to the owners of the land specified above, or to their heirs, successors, or assigns when the same shall become payable as above provided;

that no damages be awarded, other than those above mentioned, inasmuch as no other damages will be sustained by any person, firm, or corporation in their land;

that no assessments be levied;

that the City Clerk, in the name and on behalf of the City, is hereby directed to give notice in compliance with Chapter 79 of the Massachusetts General Laws;

that within 30 days after the adoption of this order, the City Clerk is hereby ordered to certify and record a copy hereof, in the Hampden County Registry of Deeds.

Approved by the City Council on July 18th, 2022:

**OFFICE OF PLANNING & ECONOMIC DEVELOPMENT
ANALYSIS FOR A SPECIAL PERMIT**

**146 VERGE STREET, ET. AL.
TEMPORARY TRUCK STORAGE**

General Information

Petitioner:	Maya Izzatova
Request:	Temporary truck storage
Proposed use of the property:	Temporary truck storage
Parcel Size:	90,604 s.f.
Compatibility with current planning documents:	The Boston Road Neighborhood Plan shows no changes to this area.
Neighborhood council notification:	Indian Orchard Citizens Council: 8-2-22
Tax Status:	SEE ATTACHED
Site Visit:	8-15-22
Hearing Date:	8-22-22

Neighborhood characteristics:

This site is located in an area with a mix of industrial and residential uses. The surrounding land uses include:

- To the north are a rail road line and Hubbard Park zoned Open Space.
- To the south are single and two-family homes zoned Industrial A and Residence A.
- To the east is an athletic club zoned Industrial A.
- To the west is a truck storage yard zoned Industrial A.

Site plan review:

The petitioner has requested a special permit to operate a temporary truck/truck body storage lot at the properties known as 146 Verge Street and ES Verge Street. This site is currently vacant and had been used as a machine shop.

After visiting the site and reviewing the proposed plans, the staff does not object to the proposed request, however the staff does have the following comments.

First and foremost, as noted above the majority of this site is currently vacant and wooded. Plans have been submitted showing that the lot will be paved and used for truck storage. In order to complete the paving, the lot must be cleared. As with all new developments a full review and approval by the Department of Public Works (DPW) will be required. This includes a review of the drainage and pavement as well as traffic related issues. This review and approval must be completed prior to any work being done at this location.

Additionally, the plans indicated that a new entrance into the site will be installed. Again, approval by DPW will be needed for this work. The plans submitted indicated that there will only be one (1) entrance and exit into the site. The existing driveway will be removed, loamed and seeded.

After visiting the site it was noted that there are several large trees located on the property. One of these trees appears to be in the area where the new curb cut will be installed. As per the City Ordinance, a “significant” tree cannot be removed without the City Forester’s approval. If this special permit is approved, the petitioner should be required to contact the City Forester to confirm whether this or any other tree on the site falls under the City’s Significant Tree Ordinance.

Further, after visiting the site it was noted that the existing building is in very poor condition. A number of the windows are broken and building appears to be in disrepair. If approved, the renovation of the building will need to be completed as well.

Lastly, it was noted that in addition to landscaping along Verge Street, the petitioner has also proposed to install a solid fence. The staff believes that this is needed as there are a number of single and two-family homes directly across the street. With regards to the residential abutters, the staff is also concerned with the hours of operation of this use. Again due to the close proximity of the residential abutters, late night operations should be limited.

Recommendation

Approve, with conditions.

Recommended Conditions:

1. This special permit is granted to this petitioner only.
2. This special permit is for a temporary truck/truck body storage lot at the properties known as 146 Verge Street (11840-0031) and NS Verge Street (11840-0035 & 0038).

3. The use shall be developed as per the attached plans, with the addition of conditions #4 through #12.
4. In addition to the special permit approval, a full review by the Department of Public Works, as per the provisions of City Ordinance, Chapter 27, Article VIII, § 27-58 through 27-63, will be required. This approval must be obtained prior to the issuance of a Building Permit.
5. The petitioner shall be required to contact the City Forest prior to the removal of any trees.
6. All unused curb shall be legally closed as per DPW standards.
7. The site, including all landscaped areas, shall be maintained and kept free of overgrown vegetation, litter, trash and debris.
8. The existing building shall be renovated.
9. Any and all signage shall be property permitted.
10. This use shall not be operated between the hours of 10:00PM and 6:00AM.
11. There shall be no storage of inoperable vehicles and/or trailers.
12. Fencing shall be installed as per the attached plans.
13. An ANR plan shall be completed combining the parcels into one (1) lot. The plan shall be submitted to the Springfield Planning Board and recorded at the Registry of Deeds.
14. Compliance with these conditions, as well as any and all zoning regulations, is required. Failure to comply may result in denial of the issuance of a Building Permit and/or Occupancy Permit, revocation of any permits issued and/or enforcement by the Code Enforcement Department punishable by fines of up to \$200 per day for each day a violation exists.

DRIVE-UP SERVICE WINDOW**

General Information

Petitioner:	PN Restaurants
Request:	Drive-up service window
Proposed use of the property:	Proposed fast food restaurant – Popeyes
Parcel Size:	27,758 s.f.
Compatibility with current planning documents:	The East Springfield Neighborhood Plan shows no changes to this area.
Neighborhood council notification:	East Springfield Neighborhood Council: 9-6-22
Tax Status:	SEE ATTACHED
Site Visit:	9-19-22
City Council Hearing:	9-27-22

Staff Analysis

Neighborhood characteristics:

The property is currently zoned Industrial A and is located along the Page Boulevard commercial corridor. The surrounding land uses include:

- To the north are residential apartment buildings zoned Business A.
- To the south are manufacturing operations zoned Industrial A.
- To the east is an automotive repair operation zoned Industrial A.
- To the west is a McDonald's fast food restaurant zoned Industrial A.

Site plan review:

The petitioner has requested a special permit to operate a fast food restaurant with a drive-up service window at the properties known as 785 Page Boulevard, SS Page Boulevard, 24 Rose Place and 26 Rose Place. These parcels currently contain a number of commercial buildings. The existing buildings will be demolished and a new, 2,360± Popeyes restaurant with a drive-up service window.

After reviewing the proposed plans and visiting the site, the staff does not object to the proposed request, however, the staff does have the following comments.

First, as noted above, the existing buildings are proposed to be demolished and a new, 2,360± square foot

building will be constructed. The site will have a double drive-up lane with a by-pass lane. A number of parking spaces are also being provided along the western property line.

As per the attached plans, there will be two (2) curb cuts onto Page Boulevard. These curb cuts will be a one-way in and one-way out. There will also be a curb cut located at the rear of the property which will provide access to Rose Place. Rose Place then formally exits onto Page Boulevard further to the east.

As part of the review of the submitted plans, the Department of Public Works (DPW) has fully reviewed and approved the proposed plans with regard to traffic related issues (see attached). As part of the approval DPW is requiring a “Do Not Block the Intersection” sign to be painted on Page Boulevard. A no left turn sign out of the site is also being required. It should also be noted that in addition to the drive-up lane around the building, the petitioner is also proposing an access lane in front of the building. While the staff does not normally approve such an access lane in front of the building, as the staff wants a direct pedestrian connection to the building, after speaking with the DPW it was noted that the proposed access lane would allow traffic to exit onto Rose Place and then gain access to Page Boulevard further to the east. While a pedestrian crosswalk is being proposed across this access lane, it is currently being proposed to be at grade level. In order to provide a safer pedestrian connection, the staff is recommending that this crosswalk be raised. This would allow a safer pedestrian connection by requiring the vehicles to slow as they drive through this access lane. This has been done at other sites including the Sonic on Boston Road.

In addition to the site plans, a full landscaping plan was also submitted. The staff has reviewed the proposed plans and is pleased with what is being proposed. As with all new developments the staff would recommend that all landscaped areas be irrigated to ensure long term viability. In addition, any and all dumpster(s) also need to be completely enclosed.

Recommendation

Approve, with conditions.

Recommended Conditions

1. This special permit is granted to this petitioner only.
2. This special permit is granted solely to operate a drive-up service window at the properties known as 785 Page Boulevard (09440-0973), SS Page Boulevard (09440-0974), 24 Rose Place (10370-0005) and 26 Rose Place (10370-0006).
3. The use shall be developed as per the attached site plans and elevations, dated August 2022, with the addition of conditions #4 and #18.

4. All landscaped areas shall be installed as per the attached plans. This landscaping, as well as the entire site, shall be maintained and kept free of all overgrown vegetation, weeds, litter and/or debris.
5. The public sidewalk along Page Boulevard shall be maintained, including snow removal.
6. All landscaped areas shall be irrigated.
7. All sidewalks shall remain at grade and shall not be depressed to accommodate the driveways.
8. All requirements outlined in the DPW approval letter, dated August 24, 2022, shall be completed.
9. The proposed pedestrian crosswalk to be installed within the access lane in front of the proposed building, shall be raised.
10. All signs shall be properly permitted prior to installation.
11. There shall be no banners, streamers or pennants located on the property, with the exception of a grand opening event. Any and all temporary signage shall be properly permitted.
12. No signs or banners shall be attached to the light poles or any utility poles.
13. Any and all dumpsters shall be completely enclosed.
14. Loitering to be addressed at all times.
15. The building shall be maintained graffiti free.
16. There shall be no outdoor storage of materials.
17. In addition to the special permit approval, a full review by the Department of Public Works, as per the provisions of City Ordinance, Chapter 27, Article VIII, § 27-58 through 27-63, will be required, prior to the issuance of a Building permit.
18. An Approval Not Required Plan (ANR) plan shall be submitted to the Planning Board for approval and shall be recorded at the Hampden County Registry of Deeds combining all the existing parcels.
19. Compliance with these conditions, as well as any and all zoning regulations, is required. Failure to comply may result in denial of the issuance of a Building Permit and/or Occupancy Permit, revocation of any permits issued and/or enforcement by the Code Enforcement Department punishable by fines of up to \$200 per day for each day a violation exists.

THE CITY OF
SPRINGFIELD, MASSACHUSETTS

06/29/2022

Special Permit Tax Certification

I certify that all identifiable real estate, personal property and excise taxes have been paid by the petitioner and/or landlord associated with the special permit request shown below:

VIA EMAIL

**Re: Proposed Fast Food Restaurant
Site Plan Submittal
785 Page Boulevard, Springfield MA**

Mr. Malafronte,

I reviewed the site plan submission for the proposed fast food restaurant at #785 Page Boulevard.

- Site Plans prepared by Solli Engineering, dated July 15, 2022, last revision August 22, 2022, (19 Sheets).
- Project Narrative & Stormwater Report (180 pages), prepared by Solli Engineering, dated July 15, 2022, revised to August 22, 2022.
- Traffic Impact Assessment, prepared by Solli Engineering, dated July 15, 2022.
- Response to comment letter, prepared by Solli Engineering, dated August 22, 2022.

The Engineering Division has approved the site plan submission with the following conditions:

1. The painted 'Do Not Block Intersection' area on Page Boulevard shall match the existing 12" wide lines.
2. Solli Engineering shall coordinate with Springfield City Engineer to determine best placement of signs directing egress traffic not to make left turn onto Page Boulevard from site driveway.
3. Following opening of the site, and if deemed essential, the City Engineering Division will conduct a traffic assessment in and at close proximity thereto. Should any modifications be recommended, the property owner shall comply with any directive that relates to improving safety.

Sincerely,

**Andrew Krar, P.E.
City Engineer**

Honorary Street Sign Policy and Application

PURPOSE OF PROGRAM

The Honorary Street Sign Program provides citizens of the City of Springfield with an opportunity to honor people that have made significant contributions to the City. The program is administered by the City Traffic Commission in conjunction with the Public Work Department. All supporting documentation is required at time of application submittal.

PROCEDURES

1. Applicant completes attached Honorary Street Designation Application.
2. The project proponent must first present the request to their neighborhood civic association for consideration.
3. If the neighborhood civic association is in favor of the applicant's request, they will send the Application to the Chairman of the Traffic Commission on behalf of the applicant along with all supporting documentation.
4. Traffic Commission will review the request at one of their meetings. The applicant or their representative must be present at the meeting.
5. The Traffic Commission will contact the neighborhood civic association through the Department of Public Works with their decision.

CRITERIA FOR REVIEW

- Historical and/or cultural influence of the applicant on the City.
- Proof of significant lineage to the City.
- Clear geographical relationship of street to the area of interest of applicant.
- Known to be of good moral character.
- Clearly defined community or public contribution made by the honoree.

SIGN COSTS

The total cost for one sign including installation is \$250.00. The cost for two signs including installation is \$370.00. This must be paid by the applicant before the sign fabrication begins. This should be submitted to the Engineering Division of the Public Works Department.

GENERAL CONDITIONS

- Applicant will be responsible for all the costs associated, if approved.
- There shall be no more than two (2) signs per person honored.
- The city is not responsible for the maintenance and replacement of sign(s) in the future.
- The sign(s) will be no larger than 12" X 12" with blue background and white lettering.
- All proposed locations must be on City public ways approved by the Department of Public Works.

The City will not be responsible for replacing stolen, vandalized or damaged signs and poles. The City reserves the right to remove any sign and post it considers in poor condition. These signs and poles will not be replaced. A petitioner will need to go back to their neighborhood civic association and repeat the process for replacements. This will include paying associated costs. This is to ensure that the community feels the person should still be honored in this fashion.

Please complete the application below and return it to the Department of Public Work:

ANALYSIS FOR A ZONE CHANGE**

**435-455 COTTAGE STREET (03310-0292)
INDUSTRIAL PARK TO INDUSTRIAL A**

GENERAL INFORMATION

Applicant:	Edward Young
Request:	Industrial Park to Industrial A
Location:	435-455 Cottage Street
Parcel Size:	87,429 s.f.
Purpose:	Re-configuration of parcel and consistency with overall area.
Surrounding Land Use and Zoning:	The property is located in the East Springfield neighborhood. This area has a mix of commercial and industrial uses. To the north are an office building and manufacturing operation zoned Industrial A. To the south is a solar field zoned Industrial Park. To the east is a manufacturing/warehouse operation zoned Industrial A. To the west is a solar field zoned Industrial Park.
Comprehensive/ Neighborhood Plan:	The East Springfield Neighborhood Plan shows no changes to this area.
Site Visit:	9-12-22
Urban Renewal Plan:	This parcel is not located within an urban renewal district.
Neighborhood Council Notification:	East Springfield Neighborhood Council: 9-6-22
Planning Board Hearing Date:	9-21-22

SPECIAL INFORMATION

Traffic & Parking:	N/A
Physical Characteristics:	N/A
Other Notes:	N/A

ANALYSIS

The petitioners have requested to change the zoning of the property known as 435-455 Cottage Street from Industrial Park to Industrial A. The site is currently the location of two (2) existing industrial buildings. Recently, an ANR plan was submitted to reconfigure the existing parcel into two (2) new parcels, each one

containing a building. However, after a review it was determined that the parcels are now considered to be non-conforming parcels due to the fact that the Industrial Park zoning requires two hundred (200) feet of frontage and one and a half (1.5) acres of land. As such the owner has requested to re-zone the property to Industrial A to remove the non-conforming status and to “have the particular parcels be consistent with the general plan of the area”.

This section of the City was re-zoned to Industrial Park back in 1962. The Industrial Park zoning requires a number of stricter zoning regulations including larger frontage requirements, lot sizes and increased landscaping requirements. Although it is the staff's prerogative to keep the intent of the original zone change, after a review, the staff has determined that many of the uses along this section of Cottage Street consist of similar industrial type uses, ranging from manufacturing operations to truck terminals. Additionally, all of the properties located directly adjacent to this property as well as those found along the northern side of Cottage Street are currently zoned Industrial A. Due to this fact, the staff believes that the proposed zone change is consistent with the existing surrounding land uses and will not have an adverse effect on this area as a whole. The zone change would also allow the owner to separate the two (2) buildings onto their own parcels while not having them categorized as non-conforming lots.

RECOMMENDATION

Approve.
